### Specificaties

|               |                                  |
|---------------|----------------------------------|
| Productnummer | 24300130                         |
| Merk          | Freudenberg Sealing Technologies |
| Categorie     | Geleidebanden                    |
| Materiaal     | PTFE B500                        |
| Style         | SF                               |
| model         | SF                               |
| Materiaal     | PTFE B500                        |
| Design        | SF                               |

### Afmetingen

|                                   |                         |
|-----------------------------------|-------------------------|
| Rod Diameter (d)                  | 105                     |
| Buiten diameter (DF)              | 110                     |
| Breedte (H)                       | 5.5                     |
| Breedte van installatieruimte (L) | 5.6                     |
|                                   |                         |
| HS-code                           | 39269097                |
| Afmetingen                        | 105.00X110.00X5.50X2.50 |
| Dikte                             | 2.5                     |
| Eenheid                           | pcs Stuks               |
| Gewicht                           | 15 Gram                 |
| Land van herkomst                 | DE                      |
| Merk                              | Freudenberg             |
| Model                             | SF                      |
| Verpakkings omschrijving          | 1                       |
| Verpakkingseenheid                | 1                       |
