### Specificaties

|               |                                  |
|---------------|----------------------------------|
| Productnummer | 49300461                         |
| Merk          | Freudenberg Sealing Technologies |
| Categorie     | Backup Ringen                    |
| Materiaal     | PTFE F52814                      |
| Style         | SRA                              |
| model         | SRA                              |
| Design        | SRA                              |

### Afmetingen

|             |     |
|-------------|-----|
| Breedte (t) | 5.3 |
| Dikte (b)   | 2   |

|                            |                     |
|----------------------------|---------------------|
| Afmetingen                 | 118.0X107.4X5.3X2.0 |
| Beschikbaarheid            | active              |
| Binnendiameter o-ring (d1) | 107.4               |
| Buiten diameter (D)        | 118                 |
| Catalogus item             | Yes                 |
| Cross section o-ring (d2)  | 5.3                 |
| Eenheid                    | pcs Stuks           |
| Gewicht                    | 7.71 Gram           |
| Huisbinnen diameter (dN)   | 107.4               |
| Land van herkomst          | DE                  |
| Materiaal buitenkant       | PTFE F52814         |
| Model                      | SRA                 |
| Verpakkingseenheid         | 1                   |
