

## Backup Ring - 10x2,1x1 - SRI - PTFE F52803 - Freudenberg - 97618

<https://sealingtechnologies.eu/nl/backup-ring-10x2.1x1-sri-ptfe-f52803-freudenberg-97618>

### Specificaties

|               |                                  |
|---------------|----------------------------------|
| Productnummer | 97618                            |
| Merk          | Freudenberg Sealing Technologies |
| Categorie     | Backup Ringen                    |
| Materiaal     | PTFE F52803                      |
| Style         | SRI                              |
| model         | SRI                              |

### Afmetingen

|                                    |                                                                                                                                                                                                                             |
|------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dikte (b)                          | 2.1                                                                                                                                                                                                                         |
