

## Backup Ring - 22x1x2,6 - SPR - PTFE F52814 - Freudenberg - 97193

<https://sealingtechnologies.eu/nl/backup-ring-22x1x2.6-spr-ptfe-f52814-freudenberg-97193>

### Specificaties

|               |                                  |
|---------------|----------------------------------|
| Productnummer | 97193                            |
| Merk          | Freudenberg Sealing Technologies |
| Categorie     | Backup Ringen                    |
| Materiaal     | PTFE F52814                      |
| Style         | SPR                              |
| model         | SPR                              |

### Afmetingen

|                                    |                                                                                                                                                                                                                             |
|------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Breedte (t)                        | 2.6                                                                                                                                                                                                                         |
| Dikte (b)                          | 1                                                                                                                                                                                                                           |
| Hoogte (H)                         | 27.2                                                                                                                                                                                                                        |
| Afmetingen                         | 22.00 X 3.00 X 0.00 X                                                                                                                                                                                                       |
| Beschikbaarheid                    | active                                                                                                                                                                                                                      |
| Binnendiameter o-ring              | 28                                                                                                                                                                                                                          |
| Buiten diameter (D)                | 22                                                                                                                                                                                                                          |
| Buiten diameter (DN)               | 3                                                                                                                                                                                                                           |
