### Specificaties

|               |                                  |
|---------------|----------------------------------|
| Productnummer | 49321338                         |
| Merk          | Freudenberg Sealing Technologies |
| Categorie     | Membranen                        |
| Materiaal     | 45 EPDM 130224                   |
| Style         | BFA                              |
| model         | BFA                              |
| Hardheid      | 45 Shore A                       |
| Materiaal     | 45 EPDM 130224                   |
| Design        | BFA                              |

### Afmetingen

|                          |                          |
|--------------------------|--------------------------|
| Diameter zuiger (Dk)     | 170                      |
| Cilinder diameter (D9)   | 180                      |
| Hoogte (H)               | 60                       |
| HS-code                  | 40169997                 |
| Afmetingen               | 180.00X170.00X60.00X0.00 |
| Eenheid                  | pcs Stuks                |
| Gewicht                  | 109.3 Gram               |
| Land van herkomst        | DE                       |
| Merk                     | Freudenberg              |
| Model                    | BFA                      |
| Verpakkings omschrijving | 1                        |
| Verpakkingseenheid       | 1                        |
