### Specificaties

|               |                                  |
|---------------|----------------------------------|
| Productnummer | 24349393                         |
| Merk          | Freudenberg Sealing Technologies |
| Categorie     | Afstrijkers                      |
| Materiaal     | 97 TPE TP106                     |
| Style         | PU6                              |
| model         | PU6                              |
| Hardheid      | 97 Shore A                       |
| Materiaal     | 97 TPE TP106                     |
| Design        | PU6                              |

### Afmetingen

|                     |      |
|---------------------|------|
| As diameter (d)     | 300  |
| Buiten diameter (D) | 320  |
| Breedte (H)         | 18   |
| Breedte groef (L)   | 10.2 |

|                               |                           |
|-------------------------------|---------------------------|
| Afmetingen                    | 300.00X320.00X18.00X10.00 |
| Beschikbaarheid               | active                    |
| Catalogus item                | No                        |
| Diam. pressure upstr. of seal | 310                       |
| Eenheid                       | pcs Stuks                 |
| Gewicht                       | 130121 Gram               |
| Land van herkomst             | FR                        |
| Model                         | PU6                       |
| Verpakkingseenheid            | 1                         |
