Specifications

Productnummer 24983575

Merk	Freudenberg Sealing Technologies
------	----------------------------------

Categorie	Damper Seals
-----------	--------------

Availability	active
--------------	--------

Catalog item	No
--------------	----

country of origin	DE
-------------------	----

Dimensions	119.00 X126.50 X 3.70 X 3.75
------------	------------------------------

Material	PTFE KL134/30
----------	---------------

net weight	5.27 Gram
------------	-----------

packaging unit	1
----------------	---

Unit	pcs Stuks
------	-----------
