

## Freudenberg Moulded parts | PFT V5 61043 TUELLE 117 | PTFEVM F18251

<https://sealingtechnologies.eu/freudenberg-moulded-parts-pft-v5-61043-tuelle-117-ptfevm-f18251-2-4x11-25x15-5x0x0-moulded-part>

### Specifications

Productnummer 49313192

|      |                                  |
|------|----------------------------------|
| Merk | Freudenberg Sealing Technologies |
|------|----------------------------------|

|           |              |
|-----------|--------------|
| Categorie | Damper Seals |
|-----------|--------------|

|              |        |
|--------------|--------|
| Availability | active |
|--------------|--------|

|              |    |
|--------------|----|
| Catalog item | No |
|--------------|----|

|                   |    |
|-------------------|----|
| country of origin | DE |
|-------------------|----|

|            |                       |
|------------|-----------------------|
| Dimensions | 2.40X11.25X15.50X0.00 |
|------------|-----------------------|

|          |               |
|----------|---------------|
| Material | PTFEVM F18251 |
|----------|---------------|

|            |            |
|------------|------------|
| net weight | 25.58 Gram |
|------------|------------|

|                |   |
|----------------|---|
| packaging unit | 1 |
|----------------|---|

|      |           |
|------|-----------|
| Unit | pcs Stuks |
|------|-----------|
